

**Notification of the Insurance Commission**

**Re: Criteria, Procedures, and Conditions for Initial or Renewed Actuary's License  
Application, and Issuance of Actuary's License under the Law on Non-Life Insurance  
B.E. 2565 (2022)**

---

By virtue of Section 78/2 and Section 78/5 of the Non-Life Insurance Act B.E. 2535 (1992), as amended by the Non-Life Insurance Act (No. 2) B.E. 2551 (2008), and together with the resolutions of the Insurance Commission Meetings No. 7/2022 on 25 December 2022, and No. 9/2022 on 26 August 2022, the Insurance Commission issues the following Notification:

Clause 1 This Notification shall be called the “Notification of the Insurance Commission Re: Criteria, Procedures, Conditions, for Initial or Renewed Actuary's License Application, and Issuance of Actuary's License under the Law on Non-Life Insurance B.E. 2565 (2022).”

Clause 2 This Notification shall take effect from the date of its publication onwards.

Clause 3 The Notification of the Insurance Commission Re: Criteria, Procedures, and Conditions for Initial or Renewed Actuary's License Application, and Issuance of Actuary's License B.E. 2551 (2008), dated 3 July B.E. 2551 (2008) shall be repealed.

Clause 4 An actuary's license applicant shall have the qualifications as follows:

- (1) Having an actuary degree which has the curriculum or subject as prescribed and notified by the Registrar from the education institute certified by OCSC, and practicing in an area of an actuary or a statistic relating to the insurance as prescribed and notified by the Registrar, not less than five years; or
- (2) Being a fellow member of the Society of Actuaries as prescribed and notified by the Registrar.

Clause 5 An actuary's license applicant must not possess any one of the following the following prohibited characteristics:

(1) Having been sentenced by a final judgment to imprisonment for an offense related to property, an offense due to being an actuary without permission from the Registrar, or an offense as being the actuary who made false certification for liability valuation report under an insurance policy, or prepared any false report or document relating thereto, unless having completed the sentence no less than five years prior to the date of application;

(2) Being a person of unsound mind or mental infirmity, an incompetent or quasi-incompetent;

(3) Being bankrupt;

(4) Being a person whose actuarial license under suspension;

(5) having had the actuarial license withdrawn within five years prior to the date of application.

Clause 6 An actuary's license applicant shall submit an application for an actuary's license to the Registrar in accordance with the application form, together with supporting documents as prescribed and notified by the Registrar.

Clause 7 An actuary's license shall be in the form as prescribed and notified by the Registrar and with a validity period of two years from the date of issue.

Clause 8 An actuary's license who possesses the qualifications to Clause 4 and none of the prohibited characteristics pursuant to Clause 5 and would like to renew license, shall submit an application for the renewal of license in the form as prescribed and notified by the Registrar within two months prior to expiration of the license validity.

After having submitted the application for renewal in accordance with paragraph one, the applicant shall have the status of a license holder until an order of disapproval is issued.

Clause 9 An application for an initial actuary's license pursuant to Clause 6 and an application for renewed actuary's license pursuant to Clause 8 shall be submitted to the
